

EVO WS-27

Space-Saving Big-Screen EHR Wall Station

The new EVO WS-27 Wall Station is ready whenever nurses and clinicians need it – and stays out of the way when they don't. It holds a flat-screen display up to 27" for big, clear, easy-to-read high-resolution display of EHR applications, medical images and more. Choose from 2 mounting options: flush-mounted to project just 4" from the wall, or embedded to project just 1" from the wall, for the ultimate space-saving, professional installation.

New 2-piece modular design

Simplifies power connection and installation

Intelligent cable management

Conceals all power and peripheral cables from view

Secure electronics bay

Large key-locked enclosure holds any small form factor PC

Space-saving keyboard case

Doubles as a large worksurface; includes integrated mouse retention

Smooth, non-porous antimicrobial powder coat

Wipes clean easily; withstands UV-B or UV-C sterilization

10-year limited warranty

Built to last from lightweight, aircraft-grade aluminum

EVO WS-27
